What's Happening in KB

Dear Parents:

Fall is here!!! This is a little reminder to everyone to watch the weather and dress appropriately. We are outside 3 times a day and so even if it gets warmer in the middle of the day, the mornings are still very chilly. Please dress in layers so we can add and take off depending on how the weather changes. We will be talking a lot about Fall in the next few weeks and looking at how the world around us changes. We will be focusing on how leaves change, what happens to what we plant, and bringing in the harvest. Mark your calendars, because we will have a class field trip on Oct. 17th, to the apple orchard and pumpkin patch! More to come next week!!!
