What's Happening in KB

Dear Parents:

Can you believe we are almost done with our first 9 weeks of school! Wow, time flies when you are having fun! Report cards will be sent home, however we will go over how to read the new standards based reports when you come to conferences so write down any questions you may have. If you are not able to make it to conferences please email so we can reschedule. This week we will be starting chapter 2 in math. Please keep working with your child if they do not know how to write their numbers to 10. Please send their math books to school on Monday so I can look them over before conferences. I will have both CH. 9 and 1 math tests at conferences.

*Remember to look for the Field trip note next week to get what you need to know about our trip on Friday!

Upcoming Events

Football game

Tonight, Tailgate by the band parents.

Field Trip Friday

Don't forget money and look for another note next week to finalize our plans for our trip on Friday!
