What's Happening in KB

Dear Parents:

The Countdown to Christmas is here. You can send your child's gift for the party any time and we will put them under our tree until our party! This is my favorite time of year because we have such wonderful books to read. Ask your child if they can remember some of our books that we read in class. It is the end of the semester and that means I need to check over the math books that you have at home. Please send your math books to school after Thursday's homework and I will try to have them back before Christmas break. Thanks so much for continuing to work with your child (the more they get at home the better they will do at school), Thanks!!!

*Please wear snow pants, hats, gloves, scarves, boots, etc.! Winter is here and it can be very cold!
