## What's Happening in KB

### Dear Parents:

This week we will be doing some letter review of what we have learned since Christmas. I am looking forward to conferences and getting a change to talk about your child. I am attaching your conference time to this note. Also, we will be talking about presidents from our past and we will be learning more about them and working on Money! Please practice this at home. We are trying to learn all the names and values to each coin. Thanks so much for your help. Our Valentine party will be on Thursday during our short day before conferences! Please send all Valentine cards on or before Thursday. Have a great weekend!

\*Yes the Baby news is true, my family is growing and we are expecting in August!
