What's Happening in KB

Dear Parents:

Happy New Year!! What a year we have been having so far!!!! I want to thank everyone for the beautiful gifts and for all the kind words. As you can see on the report cards, each quarter gets a little harder as we expect more from our students throughout the year! For example, if a child's cutting skills have not changed much from 1st quarter to 2nd, they are not meeting the standard now because we expect more. Please email me or call me if you have any questions about your child's report card or the reading results! Hopefully this week we will get back on track with everything including Math!!!!

*New RTI groups will form this week in reading. Please keep working with your child and read to them everyday!
