## What's Happening in KB

### Dear Parents:

What a fun field trip!!! It was a fun day and I don't know about your kids, but I was tired after a long day in the wind!! I hope to see everyone and visit with you at Conferences. Notes with your time will be sent home on Friday. This week we will review our letters and numbers, Work on the letter P, and we will have our Ch. 2 math test. Math books came home with your child so please play a little catch up if you can! Also, report cards will be coming home this week. IF you have any questions or don't understand them, save your questions for conferences and we can go through it then. Have a great week thanks again for all you do!

\*Mark your calendars with your conference time!
